# AN AUTUMN BREEZE

As the warm summers pave way for the breezy autumn, it's time to replace the wardrobe with the Fall '16 essentials from the house of Madame. From geometric hazy prints to lace skirts, the new trending categories are full of genius. Maxi outfits still occupy a large part of the closet. High heels and boots are a true companion. Cold shoulders tops and dresses become the perfect fit for the next night out.

The party season wants you to shine and dazzle all night long. Madame brings the right styles and silhouettes to make heads turn. The sheen is reflected from the autumn moon as you embrace the crop blouses or velvet dresses. Maroons and blacks rule the night in their own perspective.
