Autumn '17

Nostalgia Autumn - The arresting theme of the season '17 embodies the unique blend of structure and sensuality at the heart of the house. The collection spins a tale of sophisticated elegance and effortless fashion. Referencing the purity and precision of the autumn love, Madame nods to the trends that are steadfast and emerging across the globe. The pieces move seamlessly from day to night via modern silhouettes and a bold injection of trends. The Madame women is feminine but fearless. In a city of possibilities, she's ready to explore.

The autumn '17 collection is punctuated with the latest trends - perky stripes, bomber jackets, embroideries, patches, laces and ruffles. Explosive in name of and in nature, the color represents the power and femininity that defines the new Madame woman. These are presented in extremely feminine touch with modern detailing in a way that is bound to be the center of attention.
