Winter-16/17

A woman with long brown hair is posing against a rustic, grey stone wall. She is wearing a black and white geometric patterned blazer and skirt set. The blazer has a high collar, a black belt, and a small keyhole cutout at the waist. The skirt is knee-length and matches the blazer's pattern. She is also wearing a black long-sleeved top. Her right hand is on her hip, and her left hand is resting on a wooden ledge.

Discover the designs of Fall/
Winter'16 collection from the
house of Madame. From cold-
sleeve sweaters to off shoulders
tops, the chic-ensembles add to
the cool attires. For the
quintessential look, the
collection has most notable
patterns like animal prints,
geometric prints and
psychedelic checks. Colors of
navy, rust and grey are in vogue.
