SPRING/SUMMER '22

MAKE NOW YOURS

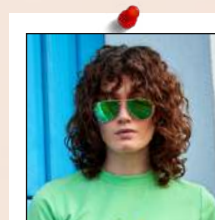

SPRING/SUMMER

2022

Softly whispering the songs of a fresh beginning, comes the season we most adore. Marked by feelings of joy and happiness, expressed through blossoming flowers and a refreshing tinge of nature in everything around us, the spring makes its presence felt in everything and everywhere. It is then gracefully carried forward by Summers - the season of the bright and chivalrous Sun, and is majestically placed on a pedestal to reign continuously.

With this, Florals, Pastels, and Ruffles become the footprints of this cherishable lore of the Spring-Summer, creating a lasting impression in everything they touch.
